Avalanche

Date
Sun, 03/12/2023 - 15:00
Activity
Snowmobiling

Heard tree breakage, saw plumes of snow and sliding snow at the bottom of the slide path. Our group spoke with the sledders and skiers that were on slope and confirmed none were caught. Skiers reported feeling slide tremble and backed down the mountain. Main breakage was near top of the third shoot from the lookers right.

Region
Cooke City
Location (from list)
Scotch Bonnet
Observer Name
Nona Repphun
