Natural slides in McAtee near Buck

Buck Ridge
Northern Madison
2/23/2024
Code
N
Elevation
9400
Aspect
NE
Latitude
45.17270
Longitude
-111.44800
Notes

From obs 2/24/24: "Saw multiple large slides around the McAtte drainage N/NE aspects. Some were larger than others but all ran on what looked like a persistent grain or even to the ground in some. Probably natural released over last few days."
