Large Wet Slides at Bridger

Bridger Bowl Bridger Range 4/25/2023 Code WL-N-R2-D2.5-I Elevation 8500 Aspect E Latitude 45.82300 Longitude -110.92300 Notes

Saw a number of large wet slides at Bridger Bowl the morning of 4/26. One running deep into North Bowl, and a couple other large slides in Bridger Gully coming off the ridge. These seemed to be recent -- likely from the past 48 hours.
