

Whumpfing and Recent Avalanches in Island Park

CENTENNIAL RANGE

Island Park

2/1/2024

Code

N

Latitude

44.54890

Longitude

-111.48700

Notes

Snowmobilers saw multiple avalanches while riding in Island Park. These avalanches happened in the last week, however the exact date is unknown.

From obs: "Lots of collapsing and whomping in the snow, 3 avalanches seen in hell roaring creek and performed a few snow pit tests with an ECTP21 with 2 failures at 25 cm and 70 cm."
