

Excellent riding 1-3 feet new good base

Date

Tue, 02/04/2025 - 04:05

Activity

Snowmobiling

Sunday, 2/2, excellent trail condition to Independence thanks to SGCRA volunteers. On top around Monument Pk, still have rocks just under the surface. Excellent riding in the trees approaching Blue Lk and Baboon. This new storm is all we need for prime riding conditions.

Region

Out of Advisory Area

Location (from list)

Independence Mine

Observer Name

Monument Peak Main Boulder Independence
